US IT FALLING ANGELS

PROMPTLY CAPTURED BY TRENDRATING

Trendrating promptly and accurately identified the market top across several US Information Technology stocks.

Since then, many of these stocks have suffered substantial losses over a remarkably short period, further highlighting Trendrating's ability to identify trend reversals early, anticipate changes in market direction, and provide timely signals of deteriorating market conditions.

Trusted by more than 300 global institutions, Trendrating provides sophisticated insights and actionable intelligence to support investment professionals in making more informed decisions, managing risk, and navigating fast-changing market environments.
